This may include having blood drawn or tissues removed during tests, treatment, or surgery. Further, I understand that should any medical personnel or other person(s) be exposed or report an exposure to my blood or body fluids, my blood will be tested for blood borne infections including Hepatitis Band C as well as HIV/AIDS. I am aware that the practice of medicine and surgery is not an exact science and I acknowledge that no guarantees have been made to me as a result of treatments or examination. I have the right to refuse tests or treatment (as far as the law allows) and to be told what might happen if I do. I have the right not to have any photos or videos taken of me unless I agree to this, except as needed to treat me. I intend that this consent is continuing in nature even after a specific diagnosis has been made and treatment recommended. This consent will remain in full force until revoked in writing.
